I've come on a few years
From my ^{Am} Hollywood Highs
The best of the last
The cleanest star they ever had
I'm stiff on my legend
The films that I made
Forget that I'm fifty
Cause you just got paid

^{Bm} Crack, baby, crack
^{Bm} Sshow me your real

^G Smack, baby, smack
^G Is all that you feel
^{F#} Suck, baby, suck
Give me your head
Before you start professing
That you're knocking me dead

You caught yourself a trick
Down on sunset and wine
But since he pinned you baby
You're a porcupine
You sold me illusions
For a sack full of cheques
You've made a bad connection
Cause I just want your sex

Crack, baby, crack
Show me your real
Smack, baby, smack
Is all that you feel
Suck, baby, suck
Give me your head
Before you start professing
That you're knocking me dead
