There's a fair tomorrow in County Clare  
G F C  
Why should I care I won't be there

I've a little daughter she's very young  
I've a little daughter she's very young  
I've a little daughter she's very young  
And she's in love with a cobbling man

You're not ten or eleven years old  
 You're not ten or eleven years old  
 You're not ten or eleven years old  
 When you reach thirteen  
 You'll be more mature

I'd rather have my cobbling man  
 I'd rather have my cobbling man  
 I'd rather have my cobbling man  
 Than an army officer with his gold bands

There is many a maid who married young  
 There is many a maid who married young  
 There is many a maid who married young  
 And lived in peace with her cobbling man

## Beidh Aonach Amárach

### Original Gaelic Lyrics

Is a mháithrín an ligfidh  
Tú chun aonaigh mé  
Is a mhuirnín óg ná healaí é

Beidh aonach amárach in gContae an Chláir  
Cén mhaith domh é ní bheidh mé ann

Tá 'nion bheag agam is tá sí óg  
Is tá sí i ngrá leis an ghreasaí bróg

Níl tú ach deich nó aon deag fós  
Nuair a bheas tú trí deag beidh tú mór

B'fhearr liom féin mo ghreasaí bróg  
 Ná fir na n'arm faoina lascú oir

'S iomaí bean a phós go h-óg  
Is a mhair go socair lena greasaí bróg
