Capo IV

Am
It was a long and dark December
Am7
From the rooftops I remember
F
There was snow
Fsus2 Dm D5 C♯5 C5 B5
White snow

Clearly I remember
From the windows
They were watching
While we froze, down below

F
When the future's architectured
G Am
By a carnival of idiots on show
G
You'd better lie low
Em F Em
If you love me
C Am G6 Am
Won't you let me know

It was a long and dark December
When the banks became cathedrals
And a fox became God

Priests clutched onto Bibles
Hollowed out to fit their rifles
And a cross was held aloft
Bury me in armour
When I'm dead and hit the ground
My nerves are poles that unfroze
And if you love me
Won't you let me know

Solo on instrumental verse

I don't want to be a soldier
Who the captain of
Some sinking ship
Would stow, far below
So if you love me
Why'd you let me go?

Am C
I took my love
F C Em F
Down to Violet Hill
Am Em F
There we sat in snow
F G Am Dm C Em
All that time she was silent still
Em F Em
Said if you love me
C Am G Am F
Won't you let me know?
Em F Em
If you love me
C Am G Am
Won't you let me know?
