D Bm
Laughing in the face of love
C Am7
What on earth you tryin' to do
D E9
It's up to you, yeah you

Instant Karma's gonna get you
Gonna look you right in the face
You better get yourself together darling
Join the human race
How in the world you gonna see
Laughing at fools like me
Who on earth d'you think you are?
A superstar? Well alright you are

G Bm Em
Well we all shine on
G
Like the moon
Bm Em
And the stars and the sun
G Bm Em
Well we all shine on
D E9
Every one, come on

Instant Karma's gonna get you
Gonna knock you of your feet
Better recognize your brothers
Every one you meet
Why in the world are we here?
Surely not to live in pain and fear
Why on earth are you there?
When you're everywhere
Come and get your share

Well we all shine on
Like the moon
And the stars and the sun
Well we all shine on
Every one, come on

A F♯m
Yeah yeah
A F♯m
Alright
A F♯m
Ah haa
C G A
Aaaahhh

Well we all shine on
Like the moon
And the stars and the sun
Well we all shine on
Every one, come on
